Overall Satisfaction

Acuity was commissioned to undertake, independent satisfaction surveys of all Housing 21's residents, including retirement living and extra care, to collect data on their opinions of, and attitudes towards, their landlord and the services provided.

A survey questionnaire was sent to all residents. The survey was primarily conducted by post, but residents were also given the opportunity to complete the questionnaire online if they wished.

Benchmarking

Ronald Buckingham Court

When considering Housing 21 as whole, the key metrics from the survey show that satisfaction among residents is high, 86% are satisfied with the overall services provided, with even higher satisfaction for the upkeep of the communal areas (90%) and provision of a safe home (89%).

All the remaining measures receive 70% or more satisfaction, apart from the handling of complaints where 47% are satisfied.

Satisfaction with the housing management team at the schemes is also high at 83%, and 86% feel they are treated fairly and with respect by Housing 21.

The chart opposite shows your court in comparison with the overall results for Housing 21, allowing you to benchmark against all other courts.
