# TSM Survey Court Report 2024

Prepared by: Acuity Research & Practice

Acuity was commissioned to undertake, independent satisfaction surveys of all Housing 21's residents, including retirement living and extra care, to collect data on their opinions of, and attitudes towards, their landlord and the services provided.

A survey questionnaire was sent to all residents. The survey was primarily conducted by post, but residents were also given the opportunity to complete the questionnaire online if they wished.
